

# Davos Course 2022

## Advanced Course: Colorectal Module

### Scientific Program

03.09. - 06.09.2022

#### Information on combination of Advanced Course Modules:

Different modules within the Advanced Course can be combined and a reduced fee is available for combined modules.

The Modules Colorectal and Bariatric take place from Saturday to Tuesday and can be combined with Modules Hernia or Upper GI taking place from Tuesday to Thursday.

#### POSSIBLE COMBINATIONS:

- 1) Combination Modules Colorectal or Bariatric & Hernia Module:**  
Classic combinations, no overlap of these modules.
- 2) Combination Bariatric Module & Upper GI Module:**  
The Upper GI Module can easily be combined with Bariatric Module, as starts with a joined Meet the experts brunch of both modules on Tuesday morning.
- 3) Combination Colorectal Modul & Upper GI Module:**  
Participants of Colorectal Module who want to combine with Upper GI module have to be aware, that the Colorectal module ends Tuesday afternoon and therefore has an overlap to Upper GI module start. Nevertheless combination is possible.

In case of any question please contact the organization.

As places are limited in Advanced Course Modules be aware that reservation of your place is only given after payment! Participants who book combined modules will be preferred in case of waiting lists.
