DAVOS COURSE
GI SURGERY

DAVOS COURSE 2027
Advanced Course: **Bariatric Module**
Preliminary Scientific Program

03 – 06 April 2027
Saturday – Tuesday

Information on combination of Advanced Course Modules

Module combination

Different modules within the Advanced Course can be combined and a reduced fee is available for combined modules.

The Modules Colorectal, HPB and Bariatric take place from Saturday to Tuesday and can be combined with Modules Hernia or Upper GI taking place from Tuesday to Thursday.

In case of any question please contact the organization.

Reservation & payment

As places are limited in Advanced Course Modules be aware that reservation of your place is only given after payment! Participants who book combined modules will be preferred in case of waiting lists.
