

Davos Course 2023
Advanced Course:
Hepato Pancreatico Biliary Module
Preliminary Scientific Program
15.04. - 18.04.2023

Information on combination of Advanced Course Modules:

Different modules within the Advanced Course can be combined and a reduced fee is available for combined modules.

The Modules Colorectal, HPB and Bariatric take place from Saturday to Tuesday and can be combined with Modules Hernia or Upper GI taking place from Tuesday to Thursday.

POSSIBLE COMBINATIONS:

- 1) Combination Modules Colorectal, HPB or Bariatric & Hernia Module:**
Classic combinations, no overlap of these modules.
- 2) Combination Bariatric Module & Upper GI Module:**
The Upper GI Module can easily be combined with Bariatric Module, as starts with a joined Meet the experts brunch of both modules on Tuesday morning.
- 3) Combination Colorectal or HPB Modul & Upper GI Module:**
Participants of Colorectal or HPB Module who want to combine with Upper GI module have to be aware, that these modules end Tuesday afternoon and therefore have an overlap to Upper GI module start. Nevertheless combination is possible.

In case of any question please contact the organization.

As places are limited in Advanced Course Modules be aware that reservation of your place is only given after payment! Participants who book combined modules will be preferred in case of waiting lists.
